Office of Hearings and Appeals**

IN THE MATTER OF:

R&R Quality Construction Services, Inc.,

Petitioner

SBA No. BDPE-672

Decided: March 19, 2025

ORDER DISMISSING APPEAL<sup>1</sup>

On January 21, 2026, the Associate Administrator of the Office of Business Development (AA/BD) of the Small Business Administration (SBA) suspended R&R Quality Construction Services, Inc. (Petitioner) from further participation in the 8(a) Business Development (BD) program pursuant to 13 C.F.R. § 124.305. The suspension was based on Petitioner's failure to submit all required documentation in response to SBA's 8(a) Business Data Call dated December 5, 2025 (Data Call) by the deadline of January 19, 2026. (Susp. Letter at 1-2).

On January 26, 2026, Petitioner filed the instant appeal of that suspension with SBA's Office of Hearings and Appeals (OHA) under 13 C.F.R. §§ 124.305(c); 134.102(j)(2). (Appeal at 1-2).

On March 18, 2026, OHA received a NOTICE OF SUSPENSION RECISSION from SBA which reflects that Petitioner's SBA Office of Government Contracting & Business Development (D/GC) 8(a) BD suspension has been lifted. (NOTICE OF SUSPENSION RECISSION).

Because SBA has rescinded the action Petitioner is appealing, there is no longer any case or controversy at hand. I therefore DISMISS the instant appeal as MOOT. This is the final decision of the U.S. Small Business Administration. The undersigned may reconsider this decision within 20 days, if there is a clear showing of an error of fact or law material to the decision. *See* 13 C.F.R. § 134.227(b-c), 13 C.F.R. § 134.409(a) and 13 C.F.R. § 134.409(c).
